ISSUED: September 25, 2007

By The Commission:

On August 8, 2007, the Division of Public Utilities (“Division”) filed a Request for Agency Action (“Request”) requesting the Commission take appropriate action against Questar Gas Company (“Questar”) in response to the February 6, 2007, natural gas explosion in Saratoga Springs, Utah.

On September 7, 2007, Questar filed a Motion for Enlargement of Time to Respond to Request (“Motion”) seeking to extend to September 28, 2007, its deadline to respond to the Request. The Motion states the Division supports said extension.

Therefore, based upon the foregoing information, and for good cause appearing, the Commission enters this ORDER granting Questar’s Motion and extending to September 28, 2007, the deadline for Questar to respond to the Division’s Request.
